Army Safety News
Mar 8, 2005
The new Army Combat Readiness Center provides Army leaders with real-time information about loss. This information is provided in the form of Preliminary loss reports. PLRs provide a synopsis of the incident, trends (if any) of potential hazards.

Knowledge Networks
Welcome to AKO
Knowledge Networ
Knowledge Networks (KNs) are an exciting
re of AKO! Knowledge Networks allow a distributed organization to communicate
rate and can also act as the database of an organization's official policies. More Kn
Networks will be added soon, but please view the featured Knowledge Network
o see how your organization can take advantage of AKO's capabilities.

Featured Knowledge Networks
FKN
Fires Knowledge Network
Fires Knowledge Network (FKN) is for all Fire Support and Field Artillerymen no matter where their mission may take them. This site is dedicated to linking the operational forces to the Field Artillery Center and to each other while providing a One-Stop Shop for all Fire Support and Field Artillery professional knowledge.
atsc
Distributed Learning Knowledge Network
Distributed Learning Knowledge Network (DLKN) is dedicated to all personnel, government and contractors alike, engaged in the design and development of Army Distributed Learning (DL) courseware. Visit here to share ideas and lessons learned; seek and offer solutions to technical issues; obtain and manage DL related documents, standards and specifications; or collaborate with others in the DL community.
MEDKN
Army Medical Knowledge Network
Medical Knowledge Network (MEDKN) is the one stop on AKO for all Army Medicine information. Army Medical personnel will find links to deployment and lessons learned information, Corps and AOC pages, and the latest news. Army Soldiers will find the latest information on Medical Readiness and preparing to deploy. The Knowledge Network is constantly growing.
